On behalf of the Alumni Association of MWC, I want to thank all of our alumni and friends for their support and interest given to the Association.

I especially want to thank Dr. Prince B. Woodard, his staff and faculty for their continued support. Our relationship has been one of joint trust. We are proud we have been able to be of a small service to them. Their service to us has been tremendous.

The Alumni Fund raised more money this year than ever before. We couldn't have done it without you!
